Subpart B—Filing of FOIA Requests

§ 1800.11 Preliminary information.

Members of the public shall address all communications to the NACIC Coordinator as specified at §1800.03 and

clearly delineate the communication as a request under the Freedom of Information Act and this regulation. NACIC employees receiving a communication in the nature of a FOIA request shall expeditiously forward same to the Coordinator. Requests and appeals on requests, referrals, or coordinations received from members of the public who owe outstanding fees for information services at this or other federal agencies will not be accepted and action on all pending requests shall be terminated in such circumstances.

§ 1800.12 Requirements as to form and content.

(a) *Required information.* No particular form is required. A request need only reasonably describe the records of interest. This means that documents must be described sufficiently to enable a professional employee familiar with the subject to locate the documents with a reasonable effort. Commonly this equates to a requirement that the documents must be locatable through the indexing of our various systems. Extremely broad or vague requests or requests requiring research do not satisfy this requirement.

(b) *Additional information for fee determination.* In addition, a requester should provide sufficient personal identifying information to allow us to determine the appropriate fee category. A requester should also provide an agreement to pay all applicable fees or fees not to exceed a certain amount or request a fee waiver.

(c) *Otherwise.* Communications which do not meet these requirements will be considered an expression of interest and NACIC will work with, and offer suggestions to, the potential requester in order to define a request properly.

§ 1800.13 Fees for record services.

(a) *In general.* Search, review, and reproduction fees will be charged in accordance with the provisions below relating to schedule, limitations, and category of requester. Applicable fees will be due even if our search locates no responsive records or some or all of the responsive records must be denied under one or more of the exemptions of the Freedom of Information Act.
